

Sankalp Snapshot

Overview

- ~ 400 engineers providing semiconductor solutions to global customers
- High quality & high value services in all domains
- Seasoned Management
- Strategies for scalability and sustainability
- Global Presence

Offerings

- Analog & Mixed Signal
- Digital/SoC and IP Design
- Embedded Software

Fab Connects:

TSMC, Dongbu, Tower-jazz, Global Foundries, UMC & proprietary fabs

EDA Experience:

Cadence, Synopsys, Mentor, Magma

Outsourcing Models

- Fixed Price Turnkey Solutions
- Offshore Development Center (ODC)
- Time & Material Design Services
- Token based services

In India: Bangalore, Hubli, Indore, Kolkata, Kharagpur, Coimbatore
World wide: USA, Germany, UK, Japan, S. Korea, Singapore
